

# Turnkey / Bulk Asset Purchase Opportunity

Screen printing, embroidery, and pad printing company established in 1955 as a wholesale supplier of custom designed apparel and hard goods for the gift and tourist industry. Includes manufacturing assets for screen printing, embroidery, and pad printing, as well as inventory, and intellectual property.

With in-house design, screen printing, embroidery, and pad printing capabilities, the company delivers customized and coordinating product collections, including a wide variety of apparel, hard goods and accessories. The 100,000 square foot facility features design, development, and manufacturing under one roof. Includes an inventory of pre-printed items for immediate delivery as well as offering a fully staffed creative team for developing customized products.
