Screen Print Equipment

Anatol Flash, Instant on unit, programmable, Comet Pro, 16x18 - Unit is brand new, we've never even plugged it in. Bought from Anatol.

- **Retail price new: $3321**
- **https://anatol.com/presses/flash-pro**

Anatol Flash, Standard Flash, 16x18 - Works perfect

- **New is around $1k**

Anatol Thunder 6 Station, with sleeve and shirt platens, squeegies, tons of ink, like new

- **Price new is $9+k with crate/ship/freight**
- **https://www.richardsonsupply.com/anatol-thunder-manual-printing-press.html**

Riso QS2536 with 6 frames and 2 rolls of mesh, like new

- **Price new is $26,205 with crate/ship/freight. Lifetime warranty on the head, current warranty expires in Nov 25. Though there really isn't much to break on these.**
- **https://xpresscreen.com/equipment/goccopro-qs2536/**

Workhorse Powerhorse Quartz, used but in great shape and works flawlessly. We have extra bulbs too, but never had one go out.

- **Price new is $6750 with crate/ship/freight**
- **https://workhorseproducts.com/conveyor-dryers/powerhouse-quartz-dryers/**

Plus all the squeegees, ink, tension meter, etc which is probably worth at least $4k. Can help setup and/or deliver as well.

New $50,276, sell for $32k as a package deal.
